

## **Communications Committee Report**

September 14, 2010

The newsletter content is almost complete now and the committee is working on layout. We anticipate publishing during the last week of September.

Our lawyer will be including a brochure with the newsletter, and will cover half the cost of postage.

Stories for this edition:

- President's Report on Negotiations and Settlement, with photos
- Gluttons for Punishment - overtime and workload story, based on results of March OT survey
- Foreign Investment or Foreign Control? - Summation of federal policy for foreign ownership of telecommunications and its effect on MTS
- Contracting Out and Outsourcing - Causes and consequences, discussion of MTS IT department practises.
- Where do My Dues Go? - breakdown of TEAM finances
- Mr. Biggs comes to Town - report on Matt Biggs , legislative and political director for IFPTE
- The Eight Hour Day - history of the working day
- Pension Lawsuit Update - what's happening with the appeal

Stephen Gillies  
Communications Committee Chair
