

The Federal Mediation and Conciliation Service, in partnership with  
Manitoba Conciliation and Mediation Services presents:

## Labour Relations and the Negotiation Cycle Workshop

Are you able to maximize opportunities  
and minimize risk at the  
negotiating table?

Is your current labour relationship  
an asset or a barrier to effective  
collective bargaining?

Conducted by experienced FMCS  
mediators, this interactive workshop  
will focus on the negotiation cycle and  
how to ensure best possible outcomes  
at the bargaining table and in the  
workplace.

You will learn strategies to implement  
best practices and have an opportunity  
to interact with union and management  
negotiators from a variety of sectors.
