

# MID-TERM CONFERENCE

Manitoba Federation of Labour

## You're invited

The 2017 Manitoba Federation of Labour's Mid-Term Conference is coming up and you're invited. Join labour activists from across the province in workshops and discussions.

With the provincial government's increasing attacks on working people and public services, it's never been more important to come together.

From engaging members, to getting organized and striking back, together we'll build a stronger labour movement.

It all starts at 5:30 PM on March 23.

**When:** March 23-24

**Where:** Union Centre, Room 2C

## Guest presenters:

**Mark Hancock**  
President, CUPE

**Leslie Turnbull**  
Principal, Viewpoints Research

**Hassan Yussuf**  
President, Canadian Labour Congress
