On Thursday October 13, 2011, the Bursary Committee met to review 21 applications that were received for this year's Bursary Award. The committee was comprised of our President Misty Hughes-Newman, member at large Grace De La Ronde and myself.

All applications were to include a copy of the official transcript of marks for all final Grade 12 courses or equivalent technical or academic transcripts detailing marks and grades obtained, proof of first year enrolment acceptance in a post secondary institution for the applicable year, and a brief Resume of past employment, interests, volunteerism and future career plans. Our selections were based on grades obtained, volunteer work and work done outside of school.

The students selected to receive the awards were:

- Courtney MacMillan
- Melissa Meadows
- Zachariah Unrau
- Eric Groot
- Scott Hellyer
- Tyler Pauls

The successful applicants were invited to a reception on Thursday November 17th to receive their award.

Respectfully submitted,
