## INVITATION

### 2018 Day of Mourning Leaders' Walk

In memory of workers who have been killed or injured on the job, and to encourage greater awareness of workplace safety and health and youth involvement, SAFE Workers of Tomorrow holds an annual Leaders' Walk.

We would like to invite you & your staff to participate in this year's walk as follows:

**Date: Friday April 27<sup>th</sup>, 2018**

**Time: 10:50 am (Note: Time has changed)**

**Meeting Place: Parking Lot on the East Side of the Union Centre  
275 Broadway, Winnipeg**

Once all the participants have gathered at the Union Centre, Michael Weier & a young student will speak briefly. The Leader's Walk will then begin and proceed down Broadway to Memorial Park for a few more speeches at the Day of Mourning Memorial Service and Groundbreaking Ceremony for the new Workers' Memorials. Youth will join the walk when it passes 333 Broadway. The walk is organized by SAFE Workers of Tomorrow staff and volunteers. Participants willing to help out can distribute Day of Mourning stickers and information to people we meet along the way.

*Please RSVP your attendance to Marjorie Jenkins at (204) 992-2988, or by e-mailing her at [marjorie@workersoftomorrow.com](mailto:marjorie@workersoftomorrow.com).*

Sincerely,

Peter Reimer  
Executive Director
