Education Bursary/Scholarship Application

Parent/Guardian information

The Telecommunications Employees Association - IFPTE Local 161 (TEAM) is offering six bursaries/scholarships of \$750.00 each to children of TEAM members. These bursaries/scholarships are offered to first year students in post secondary education enrolled in university, community college, or trade school/apprenticeship.

To be eligible, the student must be a solely dependent child or stepchild, under 21 years of age of a TEAM member in good standing, and be enrolled in their first year of post secondary education at the time of application.

All information received by the TEAM office and the Bursary/Scholarship Committee will remain confidential. The decisions of the committee are based on scholastic achievement, community involvement, and the student's volunteerism. The decisions of the committee are final. All applications must be received at the TEAM office by September 26, 2011.
